

Date : Jul 26th, 2018

To,
Elcon Engineers Private Limited
416-417, Centre Point,
R. C. Dutt Road, Alkapuri,
Vadodara – 390 007, Gujarat.

To Whomsoever It May Concern

We are in receipt of your letter, seeking a Work Completion Certificate and feedback on the performance of Elcon Engineers Private Limited for the following services provided.

Nature of Work : Conduct Turbine Islanding Study, Propose Grid Islanding and Load Shedding Schemes and Carry-out Detail Engineering, Provide Site Support for Commissioning of New Islanding Relays.

Work Order No. : 185538, 190665, 189544

We hereby certify that the above work has been completed satisfactorily and timely in terms of technical and implementation aspects of the project.

We admire and appreciate the prompt response, cooperation and round-the-clock support of EEPL team during the implementation of this project which they have continued to extend for event analysis and suggestions for corrective actions post each trip incident even after completion of the project. After three successful islanding incidences, it gives us good confidence that it would continue to work satisfactorily for any future grid disturbances.

This certificate is issued without prejudice to Owner's right and contractual obligation as per provision of the contract.

Yours faithfully,

A handwritten signature in black ink, appearing to read "Ajay Kumar", is written over a light blue horizontal line.
